

Gali Abdias Ndaga, BSc. Software Engineering

galiabdiasndaga@yahoo.com | +250791956948

SKILLS

Technical: Coding, Java (Spring Boot), JavaScript, React Js, HTML/CSS, SQL, Git.

Relationship Management: Stakeholder Requirement Analysis, Cross-Cultural Communication.

Effective communication & Coordination: Scheduling, Document Production, Event Coordination.

Leadership & Teamwork: Team Collaboration, Aspire Leaders Program Training, Group Project Coordination.

WORK EXPERIENCE

Software Engineering Intern, TrialTech

01/2026 –03/2026

- Collaborated in fast-paced team environments to build, test, and deliver high-quality software solutions, ensuring alignment with technical requirements.
- Managed version control and project repositories utilizing GitHub and GitLab, streamlining code integration and team collaboration.
- Applied software engineering best practices to troubleshoot, debug, and optimize application performance.
- Contributed to the design and implementation of scalable features, improving system functionality and enhancing overall user experience.
- Participated in code reviews, documentation, and continuous learning initiatives to maintain coding standards and support efficient project delivery.

EDUCATION

Bachelor of Software Engineering, Adventist University of Central Africa (expected 2026)

- Relevant Coursework: Software Quality Assurance, Mobile Application Development, Full-Stack Web Development, Multivariable Calculus and Differential Equations

CERTIFICATES

- **The work readiness program**, HARAMBEE (2026)
- **Leadership Program Certificate**, Aspire Institute (2026)
- **JavaScript Certificate**, FreeCodeCamp (2026)
- **Java (Spring Boot) Certificate**, Udemy (2025)
- **Operation System Basic Certificate**, Cisco (2024)

LANGUAGES

- Fluent in English and French
